

# Pupil Guide

At St Bede we are all positive and love learning new things.

## Values

Our school values are very important. They are: compassion, friendship, love, forgiveness, respect, honesty and kindness.

## Church Links

In our assembly our ethos committee light 3 candles which represent the holy trinity. On Friday we have assembly in church.

## Diversity

There are lots of different people in this school and nobody is ever left out.

## Teachers

The teachers are kind and helpful. They help you when don't understand something.

## How we celebrate our achievements

We celebrate our achievements by having an assembly where we bring awards that we have won. We also have 'Bede your best' where the teachers pick 1 person per week who have shown our school values.

## Pride

At St Bede PRIDE is very important. It stands for Positive, Resilient, Independent, Determination, Encouraged by a love of learning.

## Uniform

Our uniform is very comfy. Girls a white T-shirt and either a navy skirt or pants. They also wear white socks unlike boys who wear black socks. Boys also wear a T-shirt and pants.

## Lessons

Our lessons are great and the teachers try their best to make our lessons as fun as possible.

We have pride day to learn about each one.

## Lessons

Lessons at St Bede are fun yet educational at the same time. We play educational games and we have exercise books to Revise

## Pupil guide St. Bede academy

At St. Bede we respect our school and the other pupils. In order to make sure we obtain this, we have school values that we should always be showing. These values are, compassion, respect, honesty, freindship, kindness, forgiveness and love.

### Diversity

Our school has a diverse amount of children, meaning our school has pupils with many different religions. We learn about all of our religions in the class R.E. We treat each other nicely, no matter our religion. If we make fun of people with a different belief there will be a consequence.

### Church links

For our celebration assembly, we go to church and celebrate the special occasions coming (E.G: Easter, Christmas, Harvest) And we also celebrate things we have won out of school.

### Teachers

Our Teachers are extremely caring, they help us to learn but only if we really are struggling as they encourage us in to being independent learners.

### Lessons

At our school, we cover a wide range of subjects from Maths to P.E. The teachers try to make our learning fun for everyone.

### Uniform

Our uniform consists of a navy and white colour, and in year six we have to wear a tie.

## Pride

Our ~~unigons~~ school has a thing called pride. Pride stands for: Positive learners, Resilience, Independence, Determined, Encouragement. We should try to show these as well as our values and sometimes we have a day. We do lessons based on one of the letters. We stay in class and do fun pride based activities to work on the meaning of them.

# Pupil guide to St Bebe Primary Academy

In our school we are very religious and believe in god and jesus. In our R.E lessons, we learn about the Easter story and different religions. We also have school values that link in with our R.E. The values are: compassion, friendship, forgiveness, respect, honesty, kindness and love.

At school we have a local church that 'we' go to for celebration assembly on Fridays. In the assembly we sing hymns, celebrate other people's achievements, say prayers and light candles for the Holy Trinity. We also do birthdays in assemblies. We then person or people up that we sing 'happy birthday' to them.

We are all very different and express our feelings very differently. Some of us express our feelings through facial expressions. Some of us express our feelings through our voice and some of us express our feelings through sighs. We are also different because we set our work out differently.

In our school we have days in the year called **PRIDE** days. Pride stands for: Positive children, Resilient learners, Independent in their thinking, Determined to achieve success and Encouraged by the love of learning.

Our school values are taken very seriously in our school. They help us to be kind and caring in our school. In R.E we think about the values and how we can show them.

Our teachers in our school are fabulous. They teach us everything we need to know. They also look after us. But our TA's are great too. The TA's cover the class when the teacher is out of class. The teachers also plan all of the lessons for the next day.

Our school uniform is made up of: navy blue ~~skirt~~ skirts, white shirts or T-shirts, gray or navy pants, white or navy socks (for girls), gray socks (for boys) and black shoes. It is very smart. The only time you can't wear your uniform is in P.E and on own clothes day.

Our lessons are very fun ~~ex~~ especially P.E. In P.E we do football, netball, rounders, dance and gymnastics. In art we do painting, drawing and creating. In our music lessons we do play the guitar, piano and flute. We have so many other lessons but they are all so fabulous I can't write them all.

# Pupil Guide

In our school, there are many fun lessons. Such as: PSHE, RE, Learning Links, Science, Literacy, Maths and so much more. My favourite lesson is Math.

Here at our school, every Friday, we have what's called a 'celebration assembly' to celebrate our achievements that we have earned throughout the week. We celebrate birthdays, karate belts, swimming certificates and much more. Teachers give 'Bede Your best' to one child that has been outstanding for the whole week.

At St Bede, we will go to church to celebrate Easter, Harvest and Christmas. We celebrate by singing songs linked to the theme and praying together.

In St Bede, there are many different religions, skin colour and lots of different amazing things about us but none of us are left out.

In our school, the teachers are very kind. They help when you struggle.

Our uniform is very smart and isn't very expensive. We all look super smart in our navy blue jumpers.
