

Dear...

My name is Miss Stirzaker and I love to paint pictures, bake cakes and go to the park with my little girl Elsie. I am so excited to be your new teacher! We will have so much fun in your very first year at school and I can't wait to get to know everything about you and your family. We have a lovely big classroom and outdoor area with lots of exciting toys to play with so I know we are going to have the best year together. See you soon! Love from Miss Stirzaker x
