Dear Parent/Carer,

## Mobile Phones

We know that many of the children in Years 4 to 6 walk to and from school by themselves and bring their phones with them as a safety measure.

If a pupil does bring their phone with them to school, they must switch it off when they arrive and hand it to their teacher, to be kept in the teacher's drawer during the school day.

Children who come to school with an adult and are collected at the end of the day **should not** bring their phone with them.

Thank you for your support.

Kind regards,

Miss Y Trimble  
Assistant Headteacher
