

14<sup>th</sup> January 2022

Dear Parents/Carers,

## Children's Flu Programme

We have been advised by Intrahealth that Public Health England/NHS will be texting all parents on Monday 17<sup>th</sup> January, to advise that they can still book their child in for a flu vaccination. This is in response to recent media activity about health impacts of flu on children. The text will direct parents to contact the 119 service should they have missed the flu sessions in schools.

For more information or advice, please send an email to: [gmschoolflu@intrahealth.co.uk](mailto:gmschoolflu@intrahealth.co.uk)

Intrahealth is commissioned by Public Health to deliver the school flu immunisation programme. Their team has prepared external clinic catch-up sessions to deliver additional flu vaccines within the LEA, outside of school hours. Parents can contact the Intrahealth flu vaccination team on the above email address to book in appointments, giving our school name/borough and a contact number in the email.

**Please note: if you consented for your child to receive the nasal flu vaccine in school and your child was absent when these were administered on Monday 8<sup>th</sup> November 2021, there is a catch-up session taking place on Thursday 27<sup>th</sup> January 2022; parents of these children will be written to separately to confirm this.**

Kind regards

Mrs S Rostron & Mrs A Black  
Heads of School
