

Name of assessors: Sarah Rostron, MAT leadership

Date: 24.11.21

Time: 2:30pm

Area assessed: St Bede CE Primary Academy

Description of task being assessed: The assessment reflects the recommendation by the Government to maintain social distancing wherever possible and ensure adequate hygiene practise is followed. This risk assessment rates the risk of close or frequent contact between **staff, Nursery, Reception, Year 1, Year 2, Year 3, Year 4, Year 5 and Year 6 pupils** within school. **It cannot** assess the risks of contracting Covid-19 from this contact (or contact which occurs outside of school), or the risk of developing health complications from contracting Covid-19. Individuals will have to refer to government, medical and scientific guidance based on their own individual circumstances for this.

L= Likelihood of risk, C = consequence of risk , R = (L*R) risk rating

Risk rating 0- 14 = low, 15 –24 = medium, 25+ = high

What is the hazard?	Who might be harmed?	How might people be harmed?	Existing risk control measures	Risk rating			Additional controls	New risk rating Residual			Action/monitored by whom?	Action/monitored by when?
				L	C	R		L	C	R		
Insufficient number of staff for pupils returning	Pupils staff	Unable to care for children using current staffing guidelines	<ul style="list-style-type: none"> Complete risk assessments with staff identified as vulnerable or living with a vulnerable person. Prepare to direct Teaching Assistants to cover classes if a teacher is unable to be in class. 	2	2	4	<ul style="list-style-type: none"> Risk assessments reviewed with staff identified as extremely clinically vulnerable or requesting an individual risk assessment.
