## Part A: Pupil premium strategy plan

### Statement of intent

Our aim is to ensure that *all* children are offered an ambitious, inclusive and progressive curriculum thus enabling them to make excellent progress from their unique starting points and equip them with the skills and knowledge for future learning.

In order to do this, the key principles of our Pupil Premium Strategy are:

- To provide a broad and balanced curriculum with quality first teaching which meets the needs of all our pupils.
- All staff within school are committed and responsible for meeting the social, emotional and academic needs of all our pupils.
- To work closely with families to offer support and raise expectations.

*In making provision for disadvantaged pupils, we recognise that not all pupils who receive free school meals will be disadvantaged. We also recognise that not all pupils who are disadvantaged are registered or qualify for free school meals. Therefore this funding is used to support any pupil or groups of pupils the school has identified as needing additional support to close the gap.*

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Delayed/underdeveloped language acquisition on entry
2	Children entering the school significantly below age related expectations
3	Increased numbers of pupils and parents with English as an Additional Language
4	Growing number of SEND children entering school
5	Lack of aspirations reducing motivation and commitment to learning
6	Social & emotional difficulties, including medical and mental health issues
7	Limited experiences beyond home life and immediate community
8	Low attendance and persistent absenteeism

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To close the gap between disadvantaged pupils and their peers so that <i>all</i> pupils in the school to make at least expected progress across the curriculum	95% of all children achieve expected progress.
Increased language and communication skills for children in EYFS	78% of all children to achieve the Communication & Language ELG and Literacy ELG
Increased percentage of those reaching the expected standard in the phonics screening check	85% of Y1 pupils to achieve the expected standard in June 2023 93% of KS1 pupils to achieve the expected standard in June 2023
To provide the children with greater opportunities to develop their understanding and experience of the wider world.	Pupils to have raised aspirations
To improve attendance and reduce persistent absenteeism.	To achieve 95% overall attendance
SEND children are identified swiftly, monitored and where appropriate support provided.	To gain Dyslexia Aware Quality Mark

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.
