- I have been a part of this school for a number of years through my children attending and I love it. It feels like the 'family' ethos is genuine. I like the updated communication methods including dojo and MCAS App which keeps me up to date, involved and in touch with the class teacher. This is especially important to me as my child attends out of school club daily so I do not benefit from daily interactions with the teacher and the office is closed when I drop off/ pick up.
- Love it!
